Dear Ms. Czarnecki:

We are in receipt via email of your letter dated February 15, 2016 requesting a 30 day extension to respond to our Notice of Violation and 3007 Information Request Letter (NOV-IRL) dated February 5, 2016.

It is understood that you cannot provide an adequate response to some of the violations cited in the NOV portion of the NOV-IRL without viewing photographs taken by the EPA inspector during the inspections despite the fact that you were present at the time of the inspections. However, we will provide you with copies of the photographs taken during the inspections and will allow a thirty (30) calendar day extension which would make your complete response to the NOV-IRL due on or about April 10, 2016. A DVD containing jpg copies of the photographs taken during the inspections is enclosed. Please be aware that failure to adequately respond in a timely fashion may subject Ducommun AeroStructures to enforcement action, including monetary penalties.

Please direct any questions you have concerning this matter to Mr. Ronald Voelkel at (212) 637-1470 or [voelkel.ronald@epa.gov](mailto:voelkel.ronald@epa.gov).

Sincerely yours,
